prior written consent of ORISOM or their advisers. By accepting the delivery of this document, you agree to the foregoing.

This document includes certain observations, assumptions, statements, estimates and projections as to future events and thus involves significant elements of subjective judgment and analysis. Such statements, estimates and projections reflect certain assumptions and anticipated results; such assumptions and results may or may not prove to be correct. Actual results may differ from such statements, estimates and projections and such differences may be material. Such estimates and projections are inherently subject to a variety of risks and uncertainties that could cause actual results to differ materially from those projected. Such risks and uncertainties include general economic and business conditions, competition, changes in political, social and economic conditions, and possible changes in the regulatory structure, customer preferences and various other matters, many of which are beyond the control of ORISOM, as applicable. Such forward-looking statements are necessarily dependent on assumptions, data or methods that may be incorrect or imprecise and that may be incapable of being realized. There can be no assurances that actual events will not differ materially from those assumed or projected. In the event any of the assumptions used in this document do not prove to be true, results are likely to vary substantially from those discussed herein and such variations may be material.

ORISOM does not undertake to update or revise any of the observations, assumptions, projections or forward-looking statements contained herein or any other information contained herein, even if it becomes clear that they will not be realized or are otherwise inaccurate. The delivery of this document shall not under any circumstances imply that there has been no change in the affairs of ORISOM or that the information set forth herein is correct at any date subsequent to the date of this document or the date at which the information was provided. The information contemplated in this document is in summary form and thus does not contain all relevant and material information relating to the matters contemplated herein.
